Are you willing to help the ISA with the work required to make this organization function?

Hospitality- this includes acquiring, organizing and providing refreshments for monthly meetings or ISA Art Shows;

Information Technology- this includes helping with the web site, newsletter, emails to members, video taping meetings;

Shows- This includes acquiring the venue, announcing the show to the membership and public, creating and receiving the entry fees, receiving the art, returning the art to the artist at the conclusion of the show, and other coordination tasks not mentioned.

Other- This includes set up at the meeting location, calling committee, paint outs, any task working on the board or with a board member. These categories include the Executive, the Membership Chair, the Education Chair, the Newsletter Chair and the Treasury Chair.

If you have skills in these areas your help is needed and appreciated to help this organization run smoothly while contributing to the art experience for each of our members.
